DEFENDANTS of CHIEF Justice Hon C. McHale

To the Hon Colleen Mc Mahon Chief
United States District Judge

1) I Valmiki Ramani of 139-0585 DR 6D
Brianwood, NY 11435, CITIZEN of the United
STAT. of America, hereby deposes, that
in 2017 I opened a case against the
defendants, however the defendants convinced
me if I were to monetize the videos on my
YouTube Channel: "VALMIKI RAMANI International
Songs of Love TM", that is allow ads to be placed
on my videos, the requirements to qualify being 10,000
views, I was qualified 150 percent, I would have
an earning from the ads, and most of all I would
have a special route/ email to Youtube that
would address all the problems, I was having
such as video take down for no legitimate
reason except discrimination. I agreed to
this enrolled and told them to give the revenue

from the advertising to my hospital the New York Presbyterian Hospital. This lasted six months and YouTube changed the qualification to be in the program, they never sent any money from the advertising to the hospital, and I was no longer in the program, however just as well as the direct email to their help center never helped me and the discrimination continued, they kept taking down my videos and I could never get to keep my videos in the desired marketing position.

- 2) My channel have had multiple problems from the beginning to present day, after being unable to pursue legal action against YouTube in this Court, I went to the State of New York Supreme Court, County of Queens and started a suit against the defendants. Under the INDEX NO 5821/2018. YouTube is located in San Bruno California County of San Matteo, and since I was pursuing the lawsuit as a poor person, I made a motion to the (Rule 312-1) Court to have someone in New York serve the Summons and Complaint via the USPS by Certified mail, it was denied, I then was able to get the Sheriff of San Matteo county to serve

the papers for me with out payment required as I was doing it as a poor person. The sheriff went to your tube office and left the papers with the receptionist Reimari, he sent me the proper documents, and the court clerk accepted them. Thirty days passed and your tube failed to reply, so I applied through a motion for default judgement, the court clerk took proof of service from me, never telling me that I should present it on the return day of the motion, on that day I explained to the Judge clerks that I was told all I needed was to give it to them to file, therefore I was in the case minutes, the Judge there after denied me default judgement because I did not submit the affidavit of service to her clerks and did so to the clerk in the county clerk office. I made another motion for default judgement and this time submitted proof of service on the return date to the Judge's clerk(s). Now this was 120 days after the Summons and Complaint was served by the Sheriff, this time your tube replied by sending Mr Jason Mollick to representing them, among the protest he made was that your tube was not served properly. On the 4-29-19 Justice J. Taylor handed down a decision denying me default

Judgement, this came at a time I was waiting for a return date on a motion I had filed return date 5-21-19. This motion had to do with the fact that for the fourth time YouTube had hacked into my computer on April 9th while I was in court and took all my - Email. The first time they took all 391 of my videos - stole them I had 263 on external backup, had my HP Tech help put them back into the video file and started try to get other videos off the channel into the file, then they struck again, deleting all my download file and taking the videos and putting them into the download file. However as my date of return 5-21-19, in response to Justice Talgor denial, and said that according to the CPLR officers of the Corp, State attorney, cashier or assistant, or registered agent were eligible to receive service. Therefore I had someone serve YouTube Attorney their legal agent permitted to receive legal papers a copy of the Amended of Service of the Summons and Complaint, I had to have the server do it via certified mail usps as the firm Mr. Mollick works for do not permit process servers into their office, I then received a reply from Mr. Mollick a reply to my motion,

I therein responded to Mr Mollick statement
 that YouTube was never properly served,
 and that the case should be dismissed,
 my reply incorporated the service on
 Mr Jason Mollick YouTube legal
 agent as duly served, and then went on
 to illustrate to Mr Mollick and Justice
 the Fl Sheriff through his dept of process
 service had done it not in properly
 sitting CPLR 311 whereas a appointed agent
 could be served, thus service on Mr Mollick
 and went on to include in this reply to
 present to both Mr Mollick YouTube legal
 agent Justice Taylor which included service
 and proof thereof to Mr Mollick Legal agent,
 satisfying CPLR 311, and further more
 extracts) from the CPLR of two
 instances where as service on the receptionist
 of the Corporation by the Sheriff was deemed
 legal sitting the case of "Macdonald v
 Ames Supply Co", where the Judge showed
 when such service is proper, as the receptionist
 would then forward the papers to and
 executive who would then hand it
 to the proper personnel, thus service was
 achieved, there is another such article
 included with the same remedy. Then I
 went on to address the Judge having established
 that YouTube LLC was twice served legally, and had

Failed to reply to the sheriff service until about 120 days after service of the summons and complaint, and told her that I should be granted default judgement against you tube.

3) I am submitting my reply as described in section 2, as an opening to the rest of my case, and am looking at it as prima facie. However the case is and had become far more complicated, when my videos were stolen by Youtube in a motion, I placed another compensation of 2,000,000 dollars on the case turning it monetarily wise to 4,000,000 dollars. I am also submitting all papers of motions that were served and proof of service, also papers filed titled Discovery - Evidence and all proof of service. Together these papers will illustrate my case against the defendants. I would like to add that in 2018 a creator like my self who was earning thousands of dollars monthly was not being paid so she went with a gun and killed four workers at Youtube, I am stating this so as to give a people of Youtube.

4) My problems with you tube apart from Complaint filed, has escalated and can be seen in the motions I am supplying from case

(6)

INDEX NO 5821 / 2018 in the State Supreme Court. I am now going to list by numbers all the problems I need resolved with the defendant;

① Valmiki Ramani International Songs of Love (TM) is my channel with 400 (plus) videos to date. YouTube is built on Cyber space, therefore (1A) I have my channel which should display all my videos and ancillary information and all other conducive information of the channel. (1B) When some one enter my channel's name and press enter all of my videos should appear, and no other from the cyber space under my channel's name is mine, if the user wants to scroll through my video without clicking on my name which would take them to my channel proper they should be able to do so and see all the videos and other ancillary subjects, or if they just want to stay with the initial channel display of only the channel videos and browse, they should be able to see all my videos and no other videos should appear under my channel's name but this has not been and still is not the case, what YouTube

has done is only showing between 20 - 80 of my videos and as you scroll down you then begin to see other videos to infinity, on my space under my Trade name and Brand. This is not right. At one time YouTube has a business development manager Neal Mohan, an Indian whose idea I am sure it was to take over my channel and show a few of my videos and the whole channel became Indian filled with Indian videos and channels. You can see this in the motion(s) I made against this, and by the papers I submitted (and submitting) under - Discovery - Evidence. My channel was and still is not mine entirely, as should be but YouTube's, my videos/music are of the Western Hemisphere, not India's Culture, there is so much to be said of this but my submission explains it all. To date they the defendants have backed off the Indian take over of my channel and now shows some of my videos and the rest of space is all of other western videos. This is my channel I want only my videos on it as other channels has.

(2) YouTube has a feature where under the

channel Tradename on a artist name showcase their videos, they have to tally showcasing other artist videos under my Tradename and mark and never my videos, I protested to them. that it is a violation and trespassing on my channel to no avail. I did say to them that the only artist you may show in between is ELVIS Presley. I need this corrected.

③ I want an end to the take down of my videos on the various song sites for mainly because the video rises to the top and they would take the video/song and put it on a single page, on an Indian site of videos. When I produce a video, the computer automatically puts it on the site of the title song, this is the way my videos get viewed and marketed. I want an end to this practice. Notions have content of this as well as Discovery and Evidence files show it all.

④ I want a stop to YouTube Hacking my computer taking files out, and viewing the emails I send.

(4) I want my channel to my self to manage, edit, and develop, it's my occupation now I am retired.

(5) I am in compliance with all copy right materials I use, through the YouTube ID system all of this is in motions and Discovery - Evidence

I ask this court to enforce what is in fair practice mine to be had, and any monetary or other compensation that the court may deem fit for the abuse, discrimination etc I have faced since starting my channel with 80 songs I had recorded in around 2001, and have worked hard to develop a clean content channel, showcasing the music that has made our culture and western civilization famous. Justice Taylor is boldly discriminating against me!

In such circumstances the defect in service should be held to be "an irregularity which may and should be disregarded." (*Matter of Knickerbocker Ins. Co. [Gilbert]*, 28 N.Y.2d 57, 65.) In the present case the process server went to defendant's office. He presented himself to the receptionist, an employee designated by defendant to receive and direct business visitors. He told her he had a summons to serve on the defendant. She directed him to Mr. Forward, an employee of the defendant of some responsibility, a "claims manager" of defendant, though it is now contended not a "managing agent." He delivered the process to Mr. Forward who promptly forwarded it to the appropriate officers and attorneys of defendant. In these circumstances I think the service of process should be deemed valid. Response to my motion

① To the Hon J. Taylor, my motion for default judgement has been denied because the defendant YouTube LLC was not properly served with the Summons and Complaint. I ask the court to understand Sheriff Blamos office has a department that does process servicing as does other law enforcement offices across this country, the fact that the process of service was not properly executed should not be held against me, as I looked towards our legal system to have the papers served correctly. Mr Wollick seems to take this ill fortune I have fallen on me and use it to make my legal action seem frivolous, while his client continues to carry out unfair acts me and my channel.

② MR J. Wollick and the Law firm he works for are agent(s) for the defendant, therefore they should be deemed suitable to receive service of the Summons and Complaint, this being

so, I have prepared a document attached herewith titled "Amendment of Service of Summons and Complaint, and had Marilyn Jones serve these papers on Mr. Mollick via the USPS through certified mail, as Mr. Mollick Firm told me they do not allow process servers into the office, I ask the court to see that by doing this service, that the papers be considered finally properly served.

- ③ Mr. Mollick has ten to ask the court to view my motion's as frivolous and repetitive, well that may be so, and it is because his client does not cease to hack away at my so called channel as I am fully aware now I do not have a proper channel, as YouTube fails to display all 100 of my videos under my channel's name and instead show other videos. They continue to use my trade name and trade mark to promote other artist work and never mine this is an illegal use of my Tradename-mark, further more it is insulting and shows how the defendant has been treating me.

However this motion was made as the defendant continue as Mr Mollick points out my repetitive claims indeed they are as I am being discriminated against day after day, but, this motion also was made because I could include the fact that while I was in court on April the 9th with the last motion, the defendants hacked my computer once again and took out all my email, and lately I have discovered that they have gone through my videos and remove all the good comments I got for several videos for example one from ELLA Henderson who now resides in Italy, and sang a song title "Yours", different from my "Yours" sent me a nice comment on my song, Youtube removed it.

- 4) I came to this court seeking justice against a vicious defendant, therefore I ask this court to accept my re-service of the Summons and Complain on Mollick who is an "agent" of and for the defendant, and so my case which has all merit go forward.

The court to make the defendant to fix the wrongs in my channel, put a stop to all that I have accused them of, and realise this is not a frivolous matter. Mr Mollick, I have tried building a channel, now I have 400 plus videos, and has been competitive with the upper strata of my endeavours musically, I done this under all that I have accused the defendant of their ill practice on me, and you, an employee with a Law firm with some years out of Law school, have the nerve to disrespect what I have done, what I have achieved, that your client continuously tries to destroy.

- 5) Hon J. Taylor. Finally I ask this court to grant me continuance of the suit, by accepting the amended Service of Summons and Complaint and have the court force the defendant to cease and correct all the wrongs in my effort to build my channel and grant me any other awards as seem fit.

Amended Service
of Summons and
Complaint.

1) To the Honourable Justice J. Taylor,
in response to your decision on my 3rd
motion for default judgement, and finding
that the chief law enforcement officer Sheriff
Blamos, whose office has a department for
process service failed to serve the defendants
properly.

2) To correct this attached herewith is a
amended service of the Summons and
Complaint, which was served via usps
mail, ~~per~~ on an agent of the defendant
authorized to accept legal documents
Attorney at Law and Counsel for the defendants
in this matter Jason Wollick. Mr Wollick
office of business does not allow process servers
into their offices, therefore it had to be done
by certified mail via the USPS.

3) In today's motion the discrimination and wrongful practice by the defendant towards me and my channel continues, The failure to display all my videos on my signed space under my name (channel) as appears accessing through the browser, the majority of my space is taken up with videos of other artists. My trademark/ mark continues to promote other videos instead of mine, and the take down of my videos from positions because the rise to the top positions of the Song Site continues, example RELEASE ME which was in 3rd position, is now moved off the site. Having my videos on the Song sites is an important marketing function.

4) I thank you for acceptance of these papers and look forward to your help in correcting the wrong I have faced on my channel and any other awards deemed fit.

COMPLAINT

Defendant.

TO THE SUPREME COURT OF THE STATE OF NEW YORK

The complaint of the plaintiff, VALMIKI RAMANI, respectfully

shows and alleges as follows:

- (1) THE PLAINTIFF herein, VALMIKI RAMANI is a resident of the state of New York, and resides at 139-05 85D Apt 6D BR IARWOOD NY 11435.
- (2) THE defendant herein youtube LLC has a place of business at 901 CHERRY AVE San Bruno CA 94066. THE defendant is in the business of ONLINE media.
- (3) I VALMIKI RAMANI plaintiff began a not for profit Youtube Channel of music videos in 2016. I began making videos and posting them under my trademarked channel titled VALMIKI RAMANI INTERNATIONAL Songs of love.
- (4) From the beginning of creating and managing my channel, I have faced harassment, discrimination on a

continuous basis by YouTube LLC under the following conditions:

- (5) When I post my videos on many occasions, the videos would be taken down from ancillary sites conducive to the marketing of my videos.
- (6) This is my channel and to date I have over 370 videos. This means all of my videos posted should be under my channel, however this has not been the position. Less than half of my videos has ever been on my channel at one time.
- (7) Furthermore the space on my channel which I should be having my videos are filled by a host of other videos from other sources many of them very damaging to my brand; see Discovery attached.
- (8) I have worked hard to build my channel and the brand only to have it's image destroyed by filthy videos on my channel.
- (9) Furthermore, by not displaying all of my uploaded videos, I lose the opportunity of having them viewed and increased my rating. This has been totally damaging to my brand.

(10)

IN 2017 I entered into an agreement with YouTube LLC to monetize my videos by allowing advertising to be shown on the videos, and I inform YouTube the Revenue would go to my hospital New York Presbyterian Hospital. After about six months beginning Feb 31 2018 I would no longer have this agreement as YouTube was changing the qualifications. This was a breach of contract. The hospital never received any revenue. See Discovery for proof of this agreement.

(11)

I have been harassed, discriminated, and have had my channel's brand diminished and TDRN a part by Youtube. I am asking the court to award me \$2,000,000 dollars and any other awards deemed fit, for compensatory and punitive reasons.

I require only my videos that are produced to be on my channel and no other, further more YouTube have destroyed my Brand as when viewers go to my channel to see my videos they do not see all 390 (+) videos but ~~are~~ never ending ending parade of INDIAN videos, channels, etc. I require on injunction immediately to put an end to this and restore my channel to me the plaintiff. This action by YouTube LLC has caused considerable damage to my channel and most likely was the idea of a so called Indian's executive in their employ responsible for business development whose name is Neal Mohan.

Second on Jan 9 2019 my computer was hacked into and all 391 videos were stolen. I have Helixent Packard Smart Friend Service the number 1-866-211-5207, and I contacted them and a supervisor by the name of P. RASJEET was able to determine the videos were taken out the computer. I had 263 backups on an external Hard drive and the supervisor was able to put them back into my video files. HP Smart Friend Service is reluctant to give me a document to what has had happened to my videos / computer. Only a Subpoena would persuade them. On the 11th of Jan 2019 I discovered that the defendant had gone into my computer deleted my download files and took about 40 of the replaced videos and put them into the download files.

State Supreme Court. County of Queens:
 Valmiki Ramani
 Plaintiff

against
 YouTube LLC
 Defendants

Index NO 5821/18

Response To Defendants
 oppositions served electronically
 March 8 2019.

- 1) Defense claims they were never served with motion papers although such papers were served and affidavit of service was filed by me to the county clerk office and stamped in this court Feb 21 2019. This is a lame excuse for not receiving service, such as defendant counsel made with the service of Summons and complaint in which they claimed that the papers were not served properly although they were served by the leading Law enforcing officer of the County of San Mateo, the Sheriff who attests in his papers of service that on 9-25-18 he served such papers on persons authorized to receive them. Here is another clutching at straw by counsel.
- 2) To address my allegations that YouTube stole my videos from my video files (391). I never said they broke into my apartment, I said they hacked into my computer files.
- 3) Defense counsel claims that 99 percent of my videos has music that are infringement, that is not

so as can be seen from exhibit of my channel videos only some about one third have copyright content and that is taken care of by YouTube copyright content ID systems and proof supplied that permission was given to use of copyright content, once the owners of such are allowed to monetize the videos, even in such cases I am entitled to part of the revenue. This is again straw.

4) My channel per se is not penetrated by the Indian and other invasion of videos from these sources, why the public does not access my channel when searching for it that way the type in the name of my channel into the general search browser and what they get is what you, your Honour can see and evidence of which I have supplied to. To type in my channel name into the browser and have my channel's name appear with conclusive information is legitimate and what should follow is all 395 (plus) displays of my videos instead of a few, and the rest of my channel display overwhelmingly Indian videos. I would like to make reference of other artist channel's general search which results in a display of all their videos and do not carry other institutions videos; example;

ELvis Presley Channel; Englebert
 Humpendink channel; THE MERRYMEN
 OF Barbados; Nat Cole Channel

5) In regards to YouTube search engine, if you were to search for Valmiki Smiti, you might get my name popping up in the search, but searching for a trade name such as VALMIKI Ramani International Songs of Love Inc, would not display all the magnitude of Indian videos and Indian channel as are displayed on my channel while only about 50 of my videos are seen. Counsel is clutching at straw.

6) In conclusion to counsel reply, I declare all his allegations - ~~without merit~~ and a straw fabrication of a defense.

Notation on this Case
 To the Honourable Justice Janick Talgor
 OF the STATE Supreme Court of New York.

I have filed a lot of papers and have made a lot of statements about this case. I do hope that you can clearly see from the start that YouTube began harassing me by putting ugly videos of dirty street scenes on my channel it has been two years of struggling, now the defendants has seen a better use for what I have, my property encouraged by to INDIAN employees Neal Mohan and ARWAGAL they see it fit to take over my channel and turn it into an Indian one, this is my property, they have hidden most of my videos and with the way my channel looks now my brand that I was building has been destroyed. I literally have no control over my channel. I am relying the Law to correct this

not by only financial compensation, but the restoring of my channel to me and put a stop to the defendant having any hands on my channel or taking down of my video as they climb the ladder of the independent song sites, and to stop hiding the views that my videos receive, if this is not done I will have no option to close down my channel, and even with that there remains a problem for me, YouTube has stolen 391 of my videos which they can do what ever they want with, out of our eyes as they have about 10 stations worldwide. If I do not get Justice, I fail to see how Justice can prevail in our country.

Respectfully,

Valmiki Ramani
Plaintiff

Discovery - Evidence
Discrimination.

- 1) Walmiki Ramanani, plaintiff hereby deposes to be true this statement and exhibits.
- 2) Two years ago I uploaded a video titled "Anything that is part of you", it was placed at the second position on the Song's Site (which is different from a channel, all songs has sites and any one can be on them) as shown in exhibit "A" attached. Elvis Presley occupied first place on the site.
- 3) In August my video moved up to First place as it was getting constant viewing, while Elvis's reach the one thousand mark as seen in Exhibit "B" attached.
- 4) Before August YouTube had featured Elvis and my version of the song as seen in attachment Exhibit C.
- 5) As stated that (in both depositions) in both motions my videos were constantly taken down as they moved

up or take off the song's site totally
This you can see what you tube has done
as of March the 4 2019 as seen in exhibit D
attached.

- 6) This is not the only video they have done
this to but several more like it.
- 7) They the defendants has done this in addition
to taking over my channel and have
made it into a circus, deciding what
should be on it. This action by youtube
has gone beyond discrimination, but a
total show of theft, of my property,
and used it to their means, it's amountable
to Rape and plunder.

TYPICAL DISTRIBUTION of VIDEO

1) One day I discovered a song title "Our Love" composed by Percy Faith. I thought it was so nice that I decided to write lyrics for the melody. I recorded two videos of this song and put them up on my channel and through the YouTube Algorithm the videos ended up on the site of the song "Our Love". This is customary and it's a way that a producer gets his video viewed.

2) ON Feb 28 2019, I discovered that the video was taken off the song site and dumped on an obscure page with three other videos which had nothing to do with my work. Attached is a screenshot of the video in the dump.

YOUTUBE LLC

Discovery - Evidence

Thereby deposes that on this day 21 of Feb 2019, that the defendant has changed the content of my channel, my property of which I have no more possession of for the past six months.

This began by YouTube featured only a few of my videos on my channel, maximum about 40 out of a total of 390(+). They then turned my channel into an Indian channel displaying videos of various themes and content of INDIAN origin making someone who logs sees my channel as an Indian one.

1) Now Feb 21, they have changed the content from predominantly Indian to a more broad spectrum, featuring content that is more diverse ethnically.

- 4) The defendant YouTube LLC has taken over my channel without any formal consent or compensation.
- 5) Therefore the \$100 million asked for by the plaintiff should be granted taking into account that the plaintiff has been stolen from him, and any other considerations the court deem fit.

Mr. Ramani,

I received your motion by mail today, but I have been informed by YouTube that the video at issue was reinstated almost immediately after you had notified YouTube that it had been taken down. My understanding is that it was removed because you appeared to complain that the video infringed your alleged trademark.

Given that the video is back online, your motion is moot. Please confirm by tomorrow that you will withdraw it so as to avoid wasting the court's time.

Reply To defendant's Motion
 to Motion served via email

and received 24th day March 2019

1) Valmiki Ramani duly deposes that this present motion was necessary as you Honour had refused to accept them of 5th of March as duly served papers of Discovery and Evidence because these papers were not served along with the motion. I beg the court to understand the papers of Discovery and Evidence which were all duly served on the defense, took place after the motion papers were filed and were serious offenses that they had to be brought to the court's attention. Therefore these papers of which this present motion is based on today's appearance March 26 2019 be accepted as responsible.

2) The defense is putting up strong remarks as to the plaintiff's misconduct throughout this case considering it took the defendant about 150 days after the Summons and Complaint was served to serve the plaintiff and court with an answer, which they are purely in default and this is what my second motion is about Default Judgement, however you Honour failed to grant such because the proof of affidavit of service

was not handed in on the return date but was however filed with the county clerk office and is in the system and a copy which is herewith attached as exhibit "A". The plaintiff was then told by the clerk upon submitting the original affidavit of service that such filing was all that was necessary and took the original papers and returned the stamped copy to the plaintiff that is why a third motion was filed so that the affidavit of service, motion for default judgement could be properly handed into court on return date of motion.

3) The defense attorney again claiming to straw after failing to properly answer to the Summons and Complaint, until about 150 days after these papers were served on 9-25-18 and signed 9-26-18 by the law officers; keeps harping that these papers were not properly served, when the papers were served by the top law enforcing officer of San Mateo County. A copy of these papers were filed with the court and handed in on motion day, and was also sent to YouTube see attached exhibit "B". The law officers of San Mateo County do this service routinely and does so in a professional way as required by law. The defense attorney trying to discredit the serving of the papers,

keep insisting that the initial papers concerning this action were not served, even in Mr. Mallick initial papers he claims the Summons and Complaint were not properly served because they were not served upon officers of the Company contrary to CPLR regulations and V.R. of this Court. Therefore the defense claims the plaintiff on a second time has burden this Court with an application for Default Judgement when the initial motion was denied because the affidavit of service of the motion was not submitted on court return date but was through misguidance, the original copy was taken by the clerk in the county's office to be filed as herewith attached.

4) The defense again harps on the plaintiff's initial Lawsuit against YouTube in the Southern District of the Federal Court as being frivolous and misguided. The plaintiff opened this Lawsuit in the federal court but later asked for it to be withdrawn as YouTube fed the plaintiff deceiving information that if the plaintiff was to monetize his videos then all of the problems he faced would be alleviated. After monetizing the videos and agreeing to give the revenue forthcoming to New York Presbyterian Hospital (who today never received a cent) the plaintiff was given an email directly to YouTube, under

It's partnership program, so problems could be directly be brought to the program administrators, it turned out to be deceptive, the plaintiff never got any help and the answers to his problems remained the same, therefore realizing that he was deceived into dropping the lawsuit in the District court plaintiff forced to reopen it, however the clerk misplaced his application papers and papers that were supposed to have been mailed to the plaintiff was never received, as this the chief Justice decided the case with prejudice (whose prejudice?) after consulting with the court staff the plaintiff was encouraged to appeal the decision which he did, appealed the chief Justice decision.

5) In the year 2018 a YouTube creator like myself who was earning thousands of dollars a month through her channel shot and killed four of the firm's employees because YouTube refused to pay her. YouTube is a rogue firm owned by Google, and feels that they can do whatever they want and get away with it, like taking 390 plus of my videos from my computer because of the legal action I brought against them, they continue to violate my channel and trademark - mark by using it to promote other firms products exhibit B shows once again that YouTube continue to use my trademark and mark

(4)

To promote other artist's products and never mine. The Latest video I produced and published from song "Pretty Blue Eyes" which is old and forgotten sparked new interest, and YouTube insultingly promoted other artist renditions of this song under my Trade mark and Name.

6) YouTube LLC and it's parent company Google shows little respect for the Jurisprudence for the State of New York and it people and it's Laws, that it waited about 150 days to send a Legal representative to answer the Complaint and Summons, because you honour denied me the first motion for default judgement because I did not hand in proof of service of the motion on the return date as once again, the county clerk office led me astray by taking the original and telling me this was proof enough of service. The defendants upon this denial sees your Honour decision as one directed also to the service of Summons and Complaint which was properly served. The sent in a white knight on a horse Mr Mollick of ten the 30 day had expired to reply, to do so by battering the plaintiff with every ill conceived reason as to why the plaintiff case should be thrown out, this is provocative to our

Judicial System and an insult to the
intelligence of our court system in the
State of New York.

This video has been in the eyes of the defendant for a while, as when it went on the Song site, it went to number two position and about six months ago after reaching a thousand views it moved up to first position, the defendant saw this and took it down to the fifth position on the Song Site, now they have totally

Affidavit in Support

I Valmiki Ramani plaintiff brings this motion against the defendant the day after the return day of previous motion because the defendants continues to step up their harassment and discrimination of me and by carrying out destructive acts on my channel which are totally unwarranted.

This action of the defendants has been carried out on the beginning of my channel and as I became more successful in my endeavours, they continuously carries out disruptive acts on my channel, it never stops. I have spent over two years to get this far with the channel in the face of adversity. The defendants hates the fact that I was able (my video) to become the number one position, beat ELvis Presley - the God of American music culture, they the defendants has had their eyes on this video a long time.

①

They have finally made their final move by falsely taking down the video claiming that I ordered it. The defendants has to be made financially and disciplined in carrying on this, I cannot be thinking that I have a channel when it's been torn apart from the start by the host media, the defendants. A decision must be reached, the defendants pay me to take down my channel, or refrain from impeding my progress and operation of my channel.

- 2) Two years ago I uploaded a video titled "Anything that is part of you", it was placed at the second position on the Song's Site (which is different from a channel, all songs has sites and any one can be on them) as shown in exhibit "A" attached. ELvis Presley occupied first place on the site.
- 3) In August my video moved up to First place as it was getting constant viewing, while ELvis's was not, it later became my second video to reach the one thousand mark as seen in Exhibit "B" attached.

 TYPICAL DISTRIBUTION of VIDEO

1) One day I discovered a song title "Our Love" composed by Percy Faith. I thought it was so nice that I decided to write lyrics for the melody. I recorded two videos of this song and put them up on my channel, and through the YouTube Algorithm the videos ended up on the site of the song "Our Love". This is customary and it's a way that a producer gets his video viewed.

2) ON Feb 28 2019 I discovered that the video was taken off the song site and dumped on an obscure page with three other videos which had nothing to do with my work. Attached is a screenshot of the video in the dump.

Thereby deposes that on this day 21 of Feb 2019, that the defendant has changed the content of my channel, my property of which I have no more possession of for the past six months.

1)

2) This began by YouTube featured only a few of my videos on my channel, maximum about 40 out of a total of 390(+). They then turned my channel into an Indian channel displaying videos of various themes and content of INDIAN origin making someone who logs on to see my channel as an Indian one.

As I have given you proof that I have many videos that have worked their way to the top and within third position on some sites, they are been moved down and in some cases taken off completely and put in in uncondemned site I dumped as in the attached two exhibits.

2

From the last I put on the test video "You don't have to say you love me" they kept taking it down and needed number 3 position. It was off for one year. When the time it had been up it earned over 500 views and 7 likes. Release me has been moving up upon release.

② A Trade name and mark is just that, therefore
when someone type in that name as mine "Valmiki"

trade name is all about, and rightfully, the
trade name pops up with a description of to the

as in this case over 392 video should be

more these videos and channels take over
